One 4-H Club member in 14 will qualify for a county medal this year, predicts the National 4-H Service Committee, while the ratio for national scholarship winners will be one in approximately 10,000 members.

The coveted medals shown here represent 12 different 4-H award projects. More than 50,000 boys and girls in virtually every county in the U.S. who have done outstanding work in one of these areas will earn a medal, according to the committee.

Altogether, there are nearly

The Church is the greatest factor or earth for the building of character and good citizenship. It is a storehouse o piritual values. Without a strong Church neither democracy nor civilization can survive. There are four sound reason why every person should attend service regularly and support the Church. The are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs h moral and material support. Plan to go to church regularly and read your Bible

I admire the convictions of my Mother and Father. They have shown me by their example that they live what they believe. Because I've learned to trust and depend on those who love me, I haven't any silly illusion of self-sufficiency. It makes sense to trust and depend I'm proud and happy that I'm a Christian-

so I'm not afraid someone might laugh at me for believing the Truth. But, of course, my faith is no accident. I'm in Church every Sunday to worship God. Religious training is a major part of my education. I'm one of the millions of Christian youngsters who are the hope of this frightened world. And when I talk to God, I don't just talk to Him about ME. I talk to Him about YOU!
